

Enjoy lower utility bills with OPPD's Winter electric rate when you install an Energy efficient Heat Pump!

Residential Basic Service - Rate 110

A Monthly Basic Service Charge of: \$8.05

Plus

An Energy Charge of:

Summer (June 1 through September 30)

\$8.66 / kWh for all kWh

Winter (October 1 through May 31)

\$7.93 / kWh for the first 100 kWh

\$6.77 / kWh for the next 900 kWh

\$4.24 / kWh for all additional kWh

A Minimum Monthly Bill of: \$10.18

Residential Conservation Service - Rate 115

Special Qualification:

The consumer must have an electric Heat Pump with a SEER rating of 10 or higher that supplies at least 50 percent of the space conditioning requirements. The customer must apply for this rate, and the installation must pass the District's size and efficiency tests. For more information on OPPD's heat-pump program, click [here](#). Participation on this rate requires a minimum 5-year contract with OPPD.
